Soft Skills   Teamwork, Communication, Problem Solving.

PROJECTS

The Sherlock (AI CHATBOT THAT EVALUATES THE RESOURCES): - The objective of this chatbot that to check the user is capable of the specific project or not. If yes then it will calculate the no. of days to develop that project. interacts with users, gathers their name and years of experience in a specific domain, and automatically generates a relevant test. The chatbot will then evaluate the user's performance based on the test results.

Freelancing for B2B: - Developed a B2B freelancing portal using PHP Laravel framework to optimize resource utilization by connecting clients with vendors. Designed and implemented a platform where clients post job requirements, and vendors submit proposals, improving resource allocation for vendors with bench employees.

ASHRAY (PROPERTY RENTAL AND SELL MANAGEMENT WEBSITE): - The Purpose of this website is to be a bridge the gap between property buyers or renters and landlords by providing a platform for listing and finding available rooms, flats and bungalows for rent or buy without any charges.

EXTRA-CURRICULAR ACTIVITIES

- Engage proactively in college events across multiple campuses. Showcasing proficiency in coding, project presentation, business idea pitching, and treasure hunts. Notably, secured the Third position in the esteemed "Technostav 2024" for business idea presentation.

- Represented College Chess Team at "PERA Championship 2023". Also represented college vice-president of "SAKAL YIN ELECTION", & Participant in "YIN Summer Youth Summit 2024".

LEADERSHIP

- Lead and represented the college at the "Brain-it-On 2.0" National Level Event, ranking among India's top 10 teams in the Smart Environment and Smart City Solution Domain.

- Represented College Chess Team at "PERA Championship 2023". Also represented college vice-president of "SAKAL YIN ELECTION".
